ABOUT:

Queensland based Amanda De Warren has worked with more than 5000 national and international clients. She has appeared on *A Current Affair* and *Today Tonight* and over 15 radio appearances and has featured in more than 70 national newspapers and magazines including *The Courier Mail* and *Sunday Mail*.

Featured in *The Sunday Mail* and interviewed by journalist Francis Whiting, with journalist Chris Taylor, who was chosen to be a human guinea pig as very cynical approach to afterlife channellers. After his scarily accurate reading with Ms De Warren, Chris Taylor said 'At times I had goose bumps and while I still think there are many frauds and charletons out there, she's not one of them.' (Source: *Sunday Mail*, January 25, 2004).

Media welcome on the day for interviews and photos.
