

Special Guest Appearance Request

Everyone has a friend who has a friend who can share a psychic tale... but maybe it's time to get serious with a real **Queensland true blue medium and animal communicator on TV.....**

We are **looking for a special appearance spot** to give your viewers something to really talk about....

Amanda De Warren is **Australia's leading medium and animal communicator** and **highly respected animal behaviourist**, who was once called the '**pint-sized thunder from down under**' by **The New York Times**.

Amanda De Warren has **events coming up in Brisbane** from the 18 to 21 August, **Mt Tamborine** 2 to 4 September, **Melbourne** 15 to 18 September, **Sydney** 13 to 16 October, **Gold Coast** 27 to 30 October and **Toowoomba** 5 to 6 November.

We are looking to have her show her gift and share her channelling with your viewers and give some real insight to what a medium and more so an animal communicator can do. If you are seeking something different and would consider Amanda for a **special guest spot**, please contact us at your earliest time.

For something different, consider having Amanda speak with one of your presenters or viewers about their pet that has passed away or is sick or missing or just being a little bit naughty. You will be amazed with what she can find out. Animal communications always seem to be a huge hit with the viewers and radio listeners in the past.

"There are good and bad mediums, I have been put to the test plenty of times and have seen the absolute highs of human emotion when a connection is made. I am blessed to share my gift to help and change people's lives, there is a sense of closure when someone connects to a family member or family pet," Ms De Warren said.

There are a series of events in 2011 being held across the country starting 18 August 2011 in Brisbane. Types of events being held:

- One-Day Inner Peace Workshops
- Animal Communication Seminars
- Messages From Beyond Show
- Afterlife Connection Intimate Sessions
- Two Day Soul Rejuvenation Retreats

Queensland based Amanda De Warren has worked with more than **5000 national and international clients**. She has **appeared as a guest on over fifteen radio stations** around Australia, **A Current Affair, Today Tonight, Talk to the Animals** and has featured in more than **70 national newspapers and magazines** including *The Courier Mail* and *Sunday Mail*.
